RE: Application of Midlands Utility, Inc. for Expansion of Service Territory  
in Richland County

Dear Jocelyn:

This will confirm parties' request to carry the above matter over from tomorrow's agenda meeting until the next meeting to allow the applicant to serve all effected customers personally. The additional week would permit me to conclude service on all parties and file the appropriate affidavit of service with the Commission. As I stated, the ORS would consent to carrying the matter over.

I appreciate the courtesies that you have shown my client and me in this matter and if you or counsel have questions, please feel free to call me

Sincerely,

Elliott &amp; Elliott, P.A.
